

DAAD project HONG KONG

We are looking for a master student!

4 weeks in HongKong in 2012,
supervision at 2 Universities,
work in an international team - a project waiting for YOU!

Your task:
work up IceAGE samples,
observing biodiversity,
winning expertise for a selected crustacean taxon, the Ostracoda.

Join our team and be part of an interational network within the IceAGE project.

Contact: Dr. Saskia Brix, DZMB HH, c/o Biozentrum Grindel

Deadline: July, 2nd 2012!

Email: sbrix@senckenberg.de, Tel. 040 42838 2294
